

PROMOTE, SHOP, AND SAVE LOCALLY

- **What is an Energy Corridor Community Deal?**

Community Deals is a discount program for individuals working, living, or visiting the Energy Corridor. District businesses offer deals in the form of a discount on one or more items or services to individuals who present an Energy Corridor Community Deal. Community Deal Ads can only be created for businesses located within the Energy Corridor District boundaries. To see the District boundaries map go to: www.energycorridor.org/about/energy-corridor-district/resource-library.

- **How will the Community Deals be featured?**

The District will promote new and existing Community Deals in the monthly newsletter and also on the Home page of the District website. Community Deals will also be featured on the Energy Corridor District website: www.energycorridor.org/community-deals.

- **ALL discounts and coupons are accepted.**

- **There is NO COST to participate!**

- **Anyone can enjoy the savings by presenting the Community Deal at participating businesses with in the Energy Corridor District!**
