Ready For Your Personalized Trip Plan?

A Program of the Energy Corridor District®

With our Free WayToGo Transportation Service You're More Than Covered.

Residents, employees and visitors have multiple ways of getting around the Energy Corridor. Bicycling and walking are a breeze thanks to winding hike and bike trails which allow you to traverse much of the corridor without ever encountering a car. Many worksites offer secure bike parking, shower facilities and basic fix-it stations. METRO local bus routes connect you to destinations in The District seven days a week. The Addicks Park & Ride provides a safe and convenient place to park and catch a ride to connect to other business centers, or pick up a carpool partner. Employees traveling long distances can save money and time by sharing the ride in a METRO STAR vanpool. Enterprise CarShare provides 24/7 access to shared vehicles throughout the community for those in need of a vehicle to run errands, or just get out of the city for a day trip. District staff are available to help develop a personal trip plan to identify your best travel options.

The Energy Corridor District consists of over 2,000 acres that extend along both sides of Interstate 10 from Kirkwood to west of Barker Cypress and along Eldridge Parkway from north of IH-10 to south of Briar Forest. The District's initiatives are designed to help make its vision a reality - benefiting property owners, businesses, employees and residents.

Created in 2001 by the Texas Legislature, The Energy Corridor District® has worked to enhance our community's quality of life and sense of place as the region's second largest employment center by implementing mobility, public safety, streetscape and business development initiatives.

TAKING THE LEAD

ENERGY IS IN OUR NATURE

Healthy Living
 With over 50 miles and 26,000 acres of recreational parks and trails, The Energy Corridor is ideal for maintaining a healthy and active lifestyle, and the perfect backdrop for employees, residents and visitors. Living here means being within

minutes from some of the region's finest schools, world-class healthcare, top notch hotels, convenient shopping and diverse dining choices. Experience a vibrant edge-city community offering class-leading livability at energycorridor.org/living.

Serving Up Variety
 On Saturdays in one of West Houston's iconic dining and entertainment areas, Grisby Square embraces its agricultural roots when the Energy Corridor Farmer's Market transforms a parking lot into a fun bazaar lined with locally farmed produce, epicurean delights and other goodies.

From 9 a.m. - 1 p.m. every Saturday, Energy Corridor residents can shop a diverse lineup of vendors at the market, 14710 Grisby Road, just southeast of IH-10 and SH-6.

You can learn more about the Energy Corridor Farmer's Market by visiting energycorridor.org/shopping-services/farmers-market.

CALL US PROTECTIVE

Security and Public Safety
 The Energy Corridor District® places a high priority on maintaining a safe environment for business owners, employees and residents. We foster public safety programs to insure that the District continues to be one of the most desirable commercial and residential areas in the City of Houston and Harris County.
